## Graduate Program 2012

The Kraft Foods Graduate program is a sweet opportunity to make a delicious difference to your career.

### Kraft Foods

As a category leader in spreads, chocolate and confectionary, the Kraft Foods Australia and New Zealand business has a revenue of approximately \$1.6b (AUD) and is home to some of Australia's most loved products – Vegemite, Philadelphia Cream Cheese, Cadbury Dairy Milk, Freddo and Cherry Ripe.

### The Taste Program

This 20 month program commences early 2012 and includes structured 6 month rotations working within a diversity of business units across challenging assignments and projects. Graduate positions are available in Melbourne, Australia.

You will have real responsibilities and opportunities from day one.

We are committed to growing your career and we provide a range of support and development opportunities throughout the program. You will have great teams to work in, regular learning forums, gain cross functional experience and have amazing brands to champion.

At the conclusion of the program we work in consultation with you to secure you a permanent position within the business.

### What sort of graduates are we looking for?

At Kraft Foods we appreciate the variety of knowledge, skills and experiences of graduates from different degrees. Based on this, we usually seek graduates from the following disciplines:

- Supply Chain/Logistics/Operations/Manufacturing
- Business/Commerce
- Marketing
- Food Science/Technology
- Nutrition
- Finance/Accounting
- Engineering
- HR
